I'm glad you killed me
In Sunday bests
Because I'll haunt forever
The rooms I love the best
And this is how I'd want to dress
In such a mess I've never felt much better
Leave flyers and old letters where they are
Leave things as they are

Smile for the cameras
And flicker the lights
My image in the mirror
Will haunt your life

Smile for the cameras
And flicker the lights
My image in the mirror

Your songs still kill me
More better dead than alive
You looked so good
The trigger pulled so tight
But I could be a heart attack
A callous act broken bones
Or better yet
Maybe things should stay the way there are
Leave things as they are

Smile for the cameras
And flicker the lights
My image in the mirror
Will haunt your life

Smile for the cameras
Flick flick flicker the lights
My image in the mirror
Will haunt your life
Because we've died
Will haunt your life

Smile for the cameras

My image in the mirror
Will haunt your life

I see you everytime you sleep
You see me everytime you blink
If I can't forget this
You won't forget this

I see you everytime you sleep
You see me everytime you blink
If I can't forget this
You won't forget this

Smile for the cameras
Flick flick flicker the lights
My image in the mirror
Will haunt your life
Because we've died
Will haunt your life
