Surprise  
Nothing to mention  
There's no reaction  
For the walking dead who speak

Disguise  
Detract attention  
Oh did i mention  
The part of the walking dead who speak?

There's a price  
For their existence  
When no one listens  
To the walking dead who speak

Lets coin a phrase  
Bend the truth  
Suck the life out of every one of you  
Cause when it's done  
You might smile  
And it only happens once in a while

My advice  
To all the critics  
Those seasoned cynics  
The part of the walking dead who speak

Lets coin a phrase  
Bend the truth  
Suck the life out of every one of you  
Cause when it's done  
You might smile  
Cause it only happens once in a while
