Hello can you hear me
please don't go
where are you going
conversations go over my head
isolation has an ugly face

Surround me with your love
understand me i need you now
surround me with your words
understand me i need you now
i need your love i need your love

Hello i'm so lonely
and it feels
like a disese
come and stay
stay beside me
stay always forever don't go

Surround me with your love
understand me i need you now
surround me with your words
understand me
i need your love i need your love
i need your love
