You can touch me when we're all alone late at night  
Or can touch until I'm breaking up deep inside  
Come on, baby, I know that you wanna  
On the fire, on the water  
Now I'm drowning and you're burning up

Rip it into pieces  
Rip it into pieces  
Rip it into pieces  
Rip it into pieces  
Throw it up

Reach out, oh can't you feel my heart beat?  
Tied up I can't, I can't break free!  
When you look at me a fire burning deep inside  
Then I hold it back for something that I cannot find  
And I'm feeling like I never wanna leave you again

Rip it into pieces  
Rip it into pieces  
Rip it into pieces  
Rip it into pieces  
Now let's throw it up  
[x2]

Little bit,  
Little bit of me,  
You got a little bit of me  
You got a little bit of me  
You got a little bit of me

Rip it into pieces  
Rip it into pieces  
Rip it into pieces  
Rip it into pieces  
Now let's throw it up  
[x2]

Throw it up  
Throw it up  
Throw it up
