Another late night, under the street light,  
It feels right when it's just you and me.  
No more thinking, just let it sink in,  
I love to break yeah, I know you'll see me through.  
I was tired of,  
Not so tired of,  
I was breaking,  
I was shaking.  
[x2]

Yours and mine,  
Yours and mine,  
Yours and mine!  
Oh, oh, oh!  
Hold the line!  
Hold the line!  
Hold the line!  
Oh, oh, oh!

Another late night, holding you tight,  
Another late night, never wanna lose you again!  
Oh, oh, oh!
