I told you that everyone's the same.
And there's no use,
There's no use laying all the blame
at my door,
That won't work no more,
I've heard it all before,
and I, I see you now
You have changed somehow
And I, I wish I knew you back then,
Back when you were good.

I know you, better that you know yourself
And it's no use, you can't buy a new life off the shelf
It won't set you free,
You're not fooling me,
It's so sad to see,
How you've changed your tune
And it don't ring true
You're like a vampire
You suck everybody's blood.
Oh how I wish I knew you back when you were good

Back when you were someone,
Back when you were good.
Back when you were someone.

When you were good
You used to be so alive,
You burned so bright
Your star shone out in the sky,
You had it all right in the palm of your hand
And let it fall like a million grains of sand.

You ran away to a place where nobody knew
Just who you are and there's no one to answer to
No one to question the person you have become
Oh, what have you done?
What have you done?

Yeah, you have gone to hide somewhere...
Yeah, you have gone to hide somewhere...
