"Let Me Breathe"

Do you think I am made of stone?
Cold and unfeeling
Where all the pieces of my heart
You have been stealing

I have to tell you just how I feel
Without some sugar coating
Are you so blind that you cannot see
that I am suffocating

Oh yeah

So Let me breathe
ooh Oh
I have to live

Although it hurts me to confess
I can't stop myself from thinking
Its better to jump overboard
before this ship starts sinking

Would you please give me some air?

And Let me breathe
ooh Oh
I have to live

I need to save some time for myself
and leave behind
I want to shine over time like
like just exist

Won't you please give me some air?

And Let me breathe
ooh Oh
I have to live

I need to save some time for myself
and leave behind
I want to shine over time

like just exist
