Up the stairs and down the hall,  
To your door and through your wall.  
I'm sorry that I never called.  
I'm sorry that I never called.

I can't lose you 'cause you're my only one.  
I can't lose you 'cause you're my own.  
I must be crazy.  
I never thought it would come to this.  
And maybe, it's suicide by small increments.  
Amazing, I'll admit that it's amazing.  
I can not get my hands around it.

Brick by brick I built these walls.  
Brick by brick I built these walls.  
I'm sorry that I never called.  
Sorry that I never called.

I can't lose you 'cause you're my only one.  
I can't lose you 'cause you're my own.  
I must be crazy.  
I never thought it would come to this.  
And maybe, it's suicide by small increments.  
Amazing, I'll admit that it's amazing.  
I can not get my hands around it.

'Said please, come to your window,  
Been throwing rocks all night.  
I must be...  
I must be crazy.  
I never thought it would come to this.  
And maybe, it's suicide by small increments.  
Amazing, I'll admit that it's amazing.  
I can not get my hands around it.

Please, come to your window,  
Been throwing rocks all night.
