Boston never seemed to be
So lovely in the fall to me
Florida's not so cold
But distance just gets old

Hey maybe we can stay
Maybe we can lay like this forever

Don't you know she is my favorite girl
I want to run away for days with her
And if you promise not to say a thing
I'm gonna buy that girl a diamond ring

I said ooooooh
I think I love you
Ooooooh
I think I love you , I love you
My favorite girl

It's funny how love takes you by surprise
And I just didn't know what I was missing 'til you
opened my eyes

Hey maybe we can stay
Maybe we can lay like this forever

Don't you know she is my favorite girl
I want to run away for days with her
And if you promise not to say a thing
I'm gonna buy that girl a diamond ring

I said ooooooh
I think I love you
Ooooooh
I think I love you I love you
My favorite girl

We're in love love love
Love love love
We're in love love love
Love love
