I think we've reached the point
Where I can say anything
And when you start to stray
I will stay I wont go away

I've given up my hopes
And my dreams for yours
Cause You're a part of me
And I want you to succeed

Cause you mean more to me than being with you
And you mean more to me than being with you
And you mean more to me than being with you
And you mean more to me

I've lost myself in the days
Since I last saw your face
I've found nothing but fear
Since you first disappeared

I'm trying to hold back
Everything
Cause only love knows
When to go all in

I left all of my fears
In Jesus hands
Sometimes you have to
Give it up to give it all away

Only love knows when to go all in
