She's the one, I know I wanna be with her  
No playing games she's got me wrapped around her  
finger  
I can't remember when she stole away my heart  
And took up all my time

And oh she's waiting  
Oh I know she's waiting now  
But I'm breaking  
Oh she knows I'm breaking down

Stay  
Stay this Way  
And I know I know  
No one wants to be alone  
And she knows, she knows I  
I don't wanna fall in Love

Guess I forgot to call you back, I let it happen again  
But that was yesterday, and now we're days away  
From everything back then

And oh she's waiting  
Oh I know she's waiting now  
But I'm breaking  
Oh she knows I'm breaking down

Stay  
Stay this Way  
And I know I know  
No one wants to be alone  
And she knows, she knows I  
I don't wanna fall in Love

But that was yesterday, and now we're days away  
I can't remember when she stole my heart  
And I was so afraid, but I gave it all away  
Cuz I would give anything oh I would everything

And oh she's waiting  
Oh I know she's waiting now  
But I'm breaking

Oh she knows I'm breaking down

Stay this Way

Never Change

And I know I know

No one wants to be alone

And she knows, she knows I

I don't wanna fall in Love
