And I love the way  
the way you say you love me so  
and how you won't let go

And I love the place  
you always seem to take me to  
it's all I want from you

and if I have you  
My heart is complete  
and if I have you  
what else will I ever need?

Tidal Waves and Hurricanes  
can't make my love change  
it's true

And what we have will never fade  
Cause I am so in love  
with you

And I've been hearing your voice like radio  
while I've been trying to catch up on my sleep  
but baby it's so hard without you

and girl you don't even know  
I've fallen in love with you so  
And now that you found me  
I'm finally happy

and if I have you  
My heart is complete  
and if I have you  
what else will I ever need

Tidal Waves and Hurricanes  
can't make my love change  
it's true

And what we have will never fade  
Cause I am so in love  
with you

(If I have you)  
Girl you don't even know  
(If I have you)  
I've fallen in love with you  
oh fo sho
