Move it in move it around
Disco Lady
hey sexy Lady
Said I like the way you move your thing
Lord have mercy girl
You're dance so fine
and you're right on time
Girl you ought to be on TV
on Soul Train
When you get the groove
it ain't no stopping
Just can't help it
I'm finger popping

Shake it up
shake it down
...

Shake it Baby
shake it
Baby shake your thing
Shake it Baby
shake it
Baby shake your thing.

you got me groovin'
I feel like movin'
You got me movin'

can't sit still I'm groovin'
I like that funky stuff

Shake it up
shake it down

. . .

Hey sexy Lady-Girl you drive me crazy
You dance so fine and you're right on time
Girl you drive me right out of my mind
If it wasn't for me girl sittin' next to me
I'd just right up out of my seat
You got me hypnotized
soul mesmerized
Girl you're movin' me
girl you're groovin' me
Why don't you shake it up
shake it up
shake it down
Move it out
on down to the ground

Shake it up
shake it down

. . .
