Hurry up, that's what i'm always told
cuz i can't seem to be on time,
time is not my game and today is just not my day.
Don't know why i am this way,
I can't seem to get it right.
All my friends keep calling me a lagging piece of
shit(e).

Hurry up, that's what i'm always told
cuz i can't seem to be on time,
time is not my game and today is just not my day.
Don't know why i am this way,
i wish that i could get it right.
So my friends would stop calling me a lagging piece
of, lagging piece of shit(e).

Why can't i ever be on time,
why can't i ever be on time,
i'm always laggin, draggin you behiend.
why can't i ever be on time,
why can't i ever be on time,
i'm always laggin, draggin you behiend.

Late again, that's just because it's me
and no it's not just what it seems,
time is never on my side
and neither is anybody else.
People tell me, "be on time,"
and i say, "ok, that's just fine."
time it comes and then it goes,
no sign of me cuz i'm so slow!

Late again, that's just because it's me
and no it's not just what it seems,
time is never on my side
and neither is anyone else.
People tell me, "be on time, "
and i say, "ok, that's just fine."
Time it comes and then it goes,
no sign of me cuz i'm so slow!

Why can't i ever be on time,
Why can't i ever be on time,
I'm always laggin, draggin you behiend.

Why can't i ever be on time,
Why can't i ever be on time,
I'm always laggin, draggin you behiend.

Why can't i ever be on time,
Why can't i ever be on time,
I'm always laggin, draggin you behiend.

Why can't i ever be on time,
Why can't i ever be on time,
I'm always laggin, draggin you behiend, draggin you
behiend.
why can't i ever be on time, be on time
