I know I know I know I know  
That I can't buy you diamond rings  
And I know I know I know I know  
That I can't buy you fancy things  
And so and so and so and so  
I give you smaller gestures all the time

I do I do I do I do  
Know everything that I would give  
To you to you to you to you  
My baby it is limitless  
And through and through and through and through  
I give you all that I have here inside

You get my love  
You get my love  
Oh you get my love  
You get my love

I see I see I see I see  
The only one that understands  
For me for me for me for me  
our life is like a wonderland  
So we so we so we so we  
Can go on these adventures all our lives

Oh why oh why oh why oh why  
Why are you so good to me  
Do I do I do I do I  
Give you everything that you need  
I'd die I'd die I'd die I'd die  
If you said you were not getting enough

But you get my love  
Ooh you get my love  
you get my love  
you get my love

You get my love  
You get my love  
Oh you get my love

You get my love
