There was a boy and girl  
Living in a shadowed world  
The girl has gotten sick  
Nothing they can do for it

She slowly passed away  
On a cold November day  
He held on to her hand  
Felt like half a man

He sang her a lullaby  
Said I'll meet you on the other side  
This is not our last goodbye  
'Cause you are my life

For him it was too much  
To try and pick the pieces up  
He found it hard to breath  
They found him down on his knees

His house was not a home  
He could not live alone  
Life was just too hard  
He died of a broken heart

And he sang her a lullaby  
When he met her on the other side  
Said we'll never say another goodbye  
'Cause love has no time

For we are inseparable  
What we have is beautiful  
And nothing else mattered before  
Just you and I

Promise you promise me  
If I go before you  
Promise you promise me  
You'd know

I'd sing you a lullaby

I'd meet you on the other side  
We'd never say another goodbye  
'Cause you are my life

We are inseparable  
What we have is beautiful  
Nothing else matters at all  
Just you and I
