To expose your ass on paper:  
terrifies some  
and  
it should:  
The more you put down  
the more you leave yourself  
open  
to those who label themselves  
"critics."  
They are offended by the outright  
antics of the  
maddened.  
They prefer their poesy to be  
secretive  
soft and  
nearly  
indecipherable.  
Their game has remained  
unmolested for  
centuries.  
It has been the temple of  
the snobs and the  
fakers.  
To disrupt this sanctuary  
is to them  
like the Rape of the Holy Mother.
