And I should have known better to lie
with one as beautiful as you.

Yeah

I should have kown better
to take a chance on ever losing you.
But I thought you'd understand
can you forgive me?

I saw you walking by the other day.
I know that you saw me
you turned away and I was lost.
You see: I've never loved no one as much as you.
I've fooled around but tell me now just who is hurting
who?

And I should have known better to lie
with one as beautiful as you. . . .

I-I-I-I-I-I-I-I should have known better

I-I-I-I-I-I-I-I should have known better.

It's true
I took our love for granted all along.
And trying to explain where I went wrong
I just don't know.
I cry but tears don't seem to help me cany on.
Now there is no chance you'll come back home

got too much pride.
And I should have known better to lie
with one as beautiful as you. . . .

I-I-I-I-I-I-I-I love you
I-I-I-I-I-I-I-I love you.
No-no-no-no-no-no I love you! No-no-no-no-no-no
yeah!
And I should have known better to lie
with one as beautiful as you.
