standing on the road

feel the aching bones

Iâve been this place before

I wasnât half as old as now

to god I pray

to gimme a heart of stone cuz

then Iâd recognize

this desert is my life

I donât tease you, girl

only concentrating

I ainât an easy-bee

youâre just a big fat rich bitch

your love is like a gun

you killed my fucking soul, I said

gues I hate myself...

I used to laugh and sing

frustrationsâre hitting me

because being bound is hell for meso "goodbye" Iâve  
gotta saay

Iâm a feeling homeless anyway

I want no answer, dear

I wanna see no tears  
you're just a picture, girl  
somewhere deep inside, and I  
will always hold you there  
I guess I need you girl  
it's been a long long time  
you shouldn't give a dime on me  
cuz I'm the reason why  
in dreams I always cry  
I guess I hate myself
