Love it's a crazy make my heart go oopsy daisy
Make my blood flow not so lazy
Cos I love you inside out
Time is a wasting while you hold out
So frustrating cos you know that
Your looking amazing
And I love you inside out

I love your eyes blue as the skies
I love your lips to your finger tips
I love your bones, your old sticks and stones
Yeah I love ya inside out

Oh don't you believe me
Yes I know it's kind a creepy
Woah but oh lovin me deeply
Admit I did it you know you're going to keep me

Verse

So, say you love me like a hobo
Worn and grubby but you know though
There's no one above me
And you love me inside out

Oh don't you believe me
Yeah I know its kind of creepy
Whoah But oh loving me deeply
Admit it I did it, you know you gonna keep me

So say you love me like a hobo
Worn and grubby but you know though
There's no one above me
And you love me inside out

I love your chin and the skin that you're in
I love your nails, even your entrails
I love your soul even your little mole
Yeah I love ya inside out

I love your arms and your laugh out loud charms
I love your wits and all your wobbly bits
I love your lungs and your talking tongue

And I love ya inside out
