He got me with a hook
Those big bass notes
Thunder in my chest
Stuck in my throat

Pulling me down
Like a rumble in the ground
Crawls up from the depths
With a deep down sound

Johnny got a boom boom
Johnny got a bam, he got a

Big bomb body
Lonely neck
Swear it was a woman
That he had in his grip

Big vibrations, yeah
Just one glance
He'd gonna blow my mind
He's gonna make me wanna
Make me wanna, oh

Johnny got a boom boom
Johnny got a bam, he got a

Watch that man
See what's in his hands
Got no joy
He's a big bad boy

He's gonna freak you out
You're gonna shriek out loud
He's got you in his hands
He's gonna make you wanna
Make you wanna, oh

Johnny got a boom boom
Johnny got a bam, he got a

Watch that man

See what's in his hands
Got no joy
He's a big bad boy

He's gonna freak you out
You're gonna shriek out loud
He's got you in his hands
He's gonna make you wanna
Make you wanna, oh

Johnny got a boom boom, ooh yeah
Johnny got a bam
I said, Johnny got a boom boom, ooh yeah
Johnny got a, got a, got a, got a, he got a
