He said he didn't even hear trains let alone a few words
The ladies the ladies mabye sayin' about him
She freacks and tells her closests friends that she'll never love again
But she'll never , no not never
Live without him

Chorus-Whouldn't belive it , if you seen it
Oh, Mayhem doo doo doop
Yeah Mayhem doo doo doop
A lotta Mayhem, woh oh oh yeah

She said he didn't mean a thing so she threw her dimond ring
Out the window of a black cab in Cabmen
He couldn't take it, what she did,
So he threw a hissy fit and he took it out on anyone

Chorus

Dinning sound, lights spinning around, some mothers' son
Gotta fight or got to run run run
Run run run

Solo

Ten pints and then he starts a fight and lands himself a night
In a cell wearing grey pants and bruises
Twevle mate bangin' on the door, oh the back up vans galore
Never saw such a street full of losers

Chorus

Repeat mayhem
