I don't wear no clothes that are hand-me-down  
I don't smile when I wear a frown  
Once I get started, you can't hold me down  
Once I get goin', I go to town

Cause I'm not like everybody else  
I'm not like everybody else (no)  
I'm not like everybody else  
I'm not like everybody else

'Cause I don't care to walk and talk like everybody else  
(like everybody else)  
I'm not gonna walk through life like everybody else  
(like everybody else)  
I don't want to fret or cry like everybody else  
'Cause I'm not like everybody else

You say that you know you love me true  
You'll confess all your sins if I tell you to  
But there's one thing I've yet to say to you  
If you want to love me the whole way through

I'm not like everybody else  
I'm not like everybody else (no)  
I'm not like everybody else  
I'm not like everybody else

Cause I don't want to walk and talk like everybody else  
(like everybody else)  
I'm not gonna walk through life like everybody else  
(like everybody else)  
I'm not gonna fret or cry like everybody else  
'Cause I'm not like everybody else...

Like everybody else (like everybody else)  
Like everybody else (like everybody else)  
Like everybody else (like everybody else)  
Like everybody else (like everybody else)

'Cause I'm not like everybody else...
