Fallin' down,
I'm tasting all I ever had,
Just to lose,
Tremblin' stars,
They shine and sway, every way?
It's always true.

Fireflies are dancing on the ceiling,
Silver threads are woven through your hair.

Bathed in the light,
Gets me back just in time,
Nothing to lose,
But the truth we can find,
Spinning around,
Gets me high,
Gets me high.

Holding on,
I'm losing all I ever had,
Burning sky,
Take me down,
I'm waiting on another life,
Back to you.

Fireflies are dancing on the ceiling,
Silver threads are woven through your hair,
Everything you do,
Sends me reeling,
Always moving through you everywhere.

Bathed in the light,
Gets me back just in time,
Warmed by the breath of the breeze in our minds,
Nothing to lose,
But the truth we can find,
Spinning around,
Gets me high,
Gets me high.

Bathed in the light,

Gets me back just in time,
Warmed by the breath of the breeze in our minds,
Nothing to lose,
But the truth we can find,
Spinning around,
Gets me high,
Gets me high,
Gets me high,
Gets me high.
