Well you tried it just for once, found it alright for kicks  
But now you've found out that it's a habit that sticks  
And you're an orgasm addict  
You're an orgasm addict

Sneaking in the backdoor with dirty magazines  
Your mother wants to know what are those stains on  
your jeans  
And you're an orgasm addict  
You're an orgasm addict

Ah-huh, ah-huh, ah-a  
Ah-a, ah-a, ah-a

You get in heat  
You get in a sulk  
But you still keep beating  
Your meat to pulp  
You're an orgasm addict  
You're an orgasm addict

You're a kid casanova  
You're no Joseph  
It's a labor of love  
Fucking yourself to death  
Orgasm addict  
You're an orgasm addict

Ah-huh, ah-a, ah, ah, ah, ah ,ah ,ah , ah, ah-aaaa

You're making out with schoolkids  
Winos and heads of state  
You've even made it with the lady  
Who puts the little plastic robins  
On the Christmas cakes  
Butchers' assistants and bellhops  
You've had 'em all here and there  
Children of god and their joystings  
International women with no body hair

Oooo, so you're asking in an alley

And your voice ain't steady  
The sex mechanic's rough  
You're more than ready  
You're an orgasm addict  
You're an orgasm addict

Johnny-want-fuckie always and all ways  
He's got the energy  
He will amaze  
He's an orgasm addict  
He's an orgasm addict  
He's always at it  
He's always at it  
And he's an orgasm addict  
He's an orgasm addict
