You say you don't love me
Well that's alright with me 'cos I'm in love with you
And I wouldn't want you doing things you don't want to
do
Oh you know I've always wanted you to be in love with
me
And it took so long to realize the way things have to be
I wanted to live in a dream that couldn't be real
And I'm starting to understand now the way that you
feel
You say you don't
You say you don't

You say you don't love me
Well that's alright with me 'cos I have got the time
To wait in case someday you maybe change your mind
I've decided not to make the same mistakes this time
around
As I'm tired of having heartaches I've been thinking
and I've found
I don't want to live in a dream I want something real
And I think I understand now the way that you feel
You say you don't
You say you don't
You say you don't

[Solo]

You say you don't
You say you don't

You say you don't love me
Well that's alright with me I'm not in love with you
I just want us to do the things we both want to do
Though I've got this special feelin' I'd be wrong to call it
love
For the word entails a few things that I would be well rid
of
I've no need to live in a dream it's finally real
And I hope you now understand this feeling I feel
You say you don't

You say you don't
You say you don't love me
You say you don't love me
You say you don't love me
Mmm
