Well it seems so real I can see it  
And it seems so real I can feel it  
And it seems so real I can taste it  
And it seems so real I can hear it  
So why can't I touch it?  
So why can't I touch it?

Then it looks so real I can see it  
And it feels so real I can feel it  
And it tastes so real I can taste it  
And it sounds so real I can hear it  
So why can't I touch it?  
So why can't I touch it?

Then it looks so real I can feel it  
And it feels so real I can taste it  
And it tastes so real I can hear it  
And it sounds so real I can see it  
So why can't I touch it?  
So why can't I touch it?

Now it is so real I can see it  
And it is so real I can feel it  
And it is so real I can hear it  
And it is so real I can be it  
So why can't I touch it?  
So why can't I touch it?
