I don't wanna be happy  
With somebody else  
When I know in my mind  
I'd be wasting her time  
No need of fooling myself

And if you don't love me  
Why be concerned  
About the life I lead  
Why to me introduce  
Someone else  
When you know "someone else"  
I don't need

I need you  
I need you  
I need you  
And I guess I'm just a stubborn fool  
Kind of hard headed  
Like a mule  
But how do I love someone else  
When I need you  
When I need you

Well I guess these things don't matter  
And I apologize  
There's no kind of love between us  
I can see from the looks of your eyes  
And now you're with another  
And you say I should join the clan  
And I guess I could be happy  
That is if I was another man

But I need you  
I need you  
I need you  
And I guess I'm just a stubborn fool  
Kind of hard headed  
Like a mule  
But how do I love someone else  
When I need you  
When I need you

When I need you  
When I need you  
When I need you
