Baby, turn on...

Baby, turn on to me

Baby, turn on...

Baby, turn on to me

Which way do I go

How can I let her go

If she leaves me I follow

That's how much I love her so

Turn on to me, turn on

I'm such a fool

Just about to lose my cool

Now when I?

My mind is all gone, nothin' in it

So baby, turn on...

Wooh

Baby, turn on...

Baby, turn on to me

Baby, turn on...

Baby, turn on to me

I need her so bad

And I'm so helpless

If she just open her mind, mind
There's no tellin' just what she might find
Turn on to me, turn on
I'm such a fool
I'm just about to lose my cool
Now when I?
My mind is all gone, nothin' in it
So baby, turn on...
Baby, turn on to me
Baby, turn on...
Baby, turn on to me
