She may not be the best lookin woman  
I ever did see  
Nor have the charms of the ladies  
Of high society  
But the womans got soul  
Worth all money and gold  
And all the love that I have belongs  
To the woman with soul  
Now I'm just a regular fellow  
I don't need much  
I don't need a Cadillac car  
Or diamonds and such  
But the woman that I hold  
She's got to have soul  
And then I'm richer than the richest gold  
If the womans got soul  
Well, I don't need a woman  
That's got a whole lotta class  
Because class in a woman  
Don't mean she's gonna last  
I need the kind of woman  
That when I hold she fits so tight, yeah  
Oh, and when she throws it on me  
I give in without a fight Then I know  
The womans got soul  
Worth all money and gold  
And then I'm richer than the richest gold  
If the womans got soul  
If the womans got soul
