No matter what the people might say
You must belie-ie-ieve me
Darlin, it just didn't happen that way
No, no, it just didn't happen that way

Verse 1:

Youve come home with somethin on your mind
Darlin, tell me, why are you cryin
You say be serious, no time for fun
While tryin to tell me somethin that I've done
The things you heard couldnt be denied
But before your opinion, listen to my side

Verse 2:

Girl, you're wrong to believe what was said
For you see nothing could ever be that bad
Though the talk is now all over town
Darling, you know I'd never put you down
True, her and me were at the party as guests
There's nothing else to say about whom I love best
