I love to rock, I love to roll,  
play a little boogie,  
blues and soul,  
do it all night baby,  
you ain't too old,  
everybody's doin' it, right now,  
blues and soul  
Dancin' in the streets, all over town,  
when the feelin' hits you, ya just got to get down,  
shake your body, let the good times roll,  
doin' this dance, called blues and soul

Boogie!

Do ya wanna dance, we're here to play,  
dance all night, do it all day,  
shake your body, let the good times roll,  
doin' the dance, oh yeah, called blues and soul  
You ain't too old, to rock 'n' roll,  
playin' the blues baby, tryin' to please your soul,  
everybody's doin' it, night and day,  
we ain't tired, oh Lord, baby, we come to play

I love to rock, I love to roll,  
play a little boogie,  
blues and soul,  
do it right now baby, you ain't too old  
everybody's doin' it  
Oh yeah!  
Blues and soul
