Gotta Hold On

Hold on !  
Feel like a change of pace.  
I know - without a doubt,  
you'll bring it through.  
I'm talking about: Jesus.  
Hold it on, I got to hold it on.  
Hold it on, no matter what I am, I got to hold it on.  
Sometime, it's just saying what it ought to be: keep  
trusting in Jesus.  
Sometime, seem like it ain't gonna work out.  
What I'm trying to tell you is: keep on doing, holding on  
!  
Keep on moving ahead, you got to keep on pushing,  
baby !  
Keep on, holding on, just keep on what you're keeping  
on !  
Don't let nothing turn you around !  
You're comin' to an end, in your own.  
When you don't know which direction to take, just let  
him lead you !  
You got to hold on, to your mind !  
Hold on, whatever you think might be right.  
And keep on, keep on, holding on, holding on !  
Aaah, holding on, you got to hold on !  
Hold on, with all you got, you got to hold on !  
Oh, you got to hold on, holding on !  
I can ???mess????, he's alright, he's alright.  
Please put your faith in Jesus.  
You'll bring it through, when there ain't no way.  
That's why: Holding on, put your ?????? in hands and  
hold on !  
My friends ?????? to ?????? me, they don't want nothing  
????? from me.  
Holding on to Jeses, but that's alright, holding on !  
I'm holding on, I'm gonna keep on holding on.  
My ?????????????????? but I'm holding on, I got to hold on.  
Yeah, to this mighty hands.  
He's a mighty good leader, he'll bring it through.  
He's a mighty good leader, he'll bring it through.

Keep holding on, yeah my mother,  
yeah, keep holding on.  
Sister, father and brother,  
yeah, keep holding on.  
If you arrive in the valley, help the Jesus.  
If you just look to the mountain, for ???? coming the  
help.  
He's alright  
Oh, what have I done ?  
He's alright, he's a mighty father.
