I ain't gonna worry about tomorrow, gonna let every
day stand on its own
Ain't gonna worry about tomorrow, gonna let every day
stand on its own
You know tomorrow still be here and we ought to be
baby gone

I ain't gonna worry about you, baby, I ain't gonna worry
no more
I ain't gonna worry about you, baby, Lord, I ain't gonna
worry no more
It seems like you don't want me, woman, and I know I
got to pay my dues

It's just me, my guitar and the blues

It's just me, my guitar and the blues
Ain't gonna worry no more
Ain't gonna worry, baby
Lord, I ain't gonna worry no more

It's just me, my guitar and the blues

Walking away from you baby

It's just me, my guitar and the blues

I got to go, I'm leaving
