Who Done It ?

Who done it baby, who done this to you.  
Who done it baby, who done this terrible thing to you.  
Who done broke your heart,  
Aw baby he's made you blue.  
Who done it baby, who done this to you.  
Who done it, this terrible thing to you.  
You done told me he broke your heart,  
Aw now, he gone and left you blue.  
Whoa baby, have I got news for you.  
My, my baby, lord I got news for you.  
I'll always be by your side,  
I'll always wanta' be true.  
I'll always love you mama, I'll always be true.  
I promise you baby, I'll never miss you.  
Who done it, who done broke your heart in two.  
He just came and broke your heart,  
Whoa, he left you with the blues.  
I got my pictures, I got em repaired.  
Whoa baby, my darling.  
Who done this terrible thing, baby,  
Lord, who done this to you.
