If I didn't care
More than words can say
If I didn't care
Would I feel this way?

If this isn't love, then why do I thrill?
And what makes my head
Go 'round and 'round
While my heart stands still?

If I didn't care
Would it be the same?
Would my every prayer
Begin and end with just your name?
And would I be sure that this is love
Beyond compare?
Would all this be true
If I didn't care for you?

"If I didn't care, honey child
More than words can say
If I didn't care, baby
Would I feel this way?
Darlin', if this isn't love
Then why do I thrill so much?
What is it that makes my head
Go 'round and 'round
While my heart just stands still so much?"

If I didn't care
Would it be the same?
Would my every prayer
Begin and end with just your name?
And would I be sure that this
Is love beyond compare?
Would all this be true
If I didn't care for you?
