We'll Meet Again
The Ink Spots
Written by Ross Parker and Hughie Charles

This version did not chart but
In 1941, Kay Kyser and Guy Lombardo's versions both
hit # 24
In 1942, Benny Goodman stood alone at # 16
And in 1954, Vera Lynn brought it back at # 29 and her
version was used in the final scene of
the 1964 film "Dr. Strangelove Or: How I Learned To
Stop Worrying and Love the Bomb"

We'll meet again, don't know where, don't know when
But I'm sure we'll meet again some sunny day
Keep smiling through, just the way you used to do
Till the blue skies chase the dark clouds far away

Now, won't you please say "Hello" to the folks that I
know
Tell 'em it won't be long
'cause they'd be happy to know that when you saw me
go
I was singing this song

We'll meet again, don't know where, don't know when
But I'm sure we'll meet again some sunny day

MONOLOGUE: Yes, we'll meet again. Darlin', I don't
know where and I don't know when. But
I KNOW we'll meet again one of these good ole
sunshiny days. Ya know, darlin', all ya gotta
do is just keep on smilin' through you know just like you
ALWAYS do, until the blue skies
chase the dark clouds far, far, far away. I wantcha to
do me a favor, please say "Hello" to all
the folks that I know. Well, just tell 'em it won't be long.
They'd be happy to know that when
you saw me go, I was standin' right here, singin' this
song.

We'll meet again, don't know where, don't know when
But I know we'll meet again some sunny day
