All alone tonight, I'm calling out your name
Somewhere deep inside this part of you remains
Images of love take me back in time

I don't know how it started or why it ever had to end
But something stepped inside we didn't let it in
It's keeping us apart, where are you now

CHORUS:

Where are you now? Is someone there tonight
Holding what was mine?
Where are you now? Do you wonder where I am,
Are you really feelin' fine?

Goin' through my life without you by my side
You're the only thing that keeps goin' through my mind
And nothin' that I do can take the place of you

CHORUS

Oooh, thinkin' about you, girl,
There's gotta be a place for me
Somewhere in your heart

All alone tonight, I'm calling out your name
Somewhere deep inside this part of you remains
Images of love, where are you now?

CHORUS

Where are you now? Is someone there tonight
Holding what was mine?
Where are you now? Do you wonder where I am,
I need you here tonight
