The night of the blackout  
I thought I'm your prot'g?  
Sticky with the heat and getting stronger every day

I'm dripping wet, I'm walking sweat  
The sun shines at an angle, oh  
I'm dripping wet, I'm walking sweat  
The sun shines at an angle, oh

Oh oh

Under the thunder I thought I'll never win  
If I'm better then it's over, if I'm worse I'm lost again  
If I'm better then it's over, if I'm worse then I'm your  
failure  
I'm dripping wet, I'm walking sweat  
The sun shines at an angle, oh  
I'm dripping wet, I'm walking sweat  
The sun shines at an angle, oh

Oh oh

We wake up sleepy coming down from last night  
Wishing we were thrilled again and looking for a fight

I'm dripping wet, I'm walking sweat  
The sun shines at an angle, oh  
I'm Rose Marie  
A Boy  
But Sally is a girl, oh  
Sally is a girl, oh  
Sally is a girl
