God damn let's hit it on the weak spot
Everybody knows that we all had enough
Smell the scent of gasoline fumes
'Cause we're not victims and we know what to do

Right now a systematic shutdown
New world orders and restructuring plans
Hold tight 'cause here comes the latest craze
I've got news baby and this is what I say

Yeah hey hey, a new morning, the weather's changing
Yeah hey hey, a new morning, the weather's changing
Cha', hey hey, a new morning, the weather's changing
Cha', hey hey, a new morning

God damn let's build a new movement
Dead time pacifies, so let's do it
This time all these slogans will come alive
We're not going to be bored this time

Right now a systematic shutdown
Neo-liberals and assorted clowns
Strike the match and baby clench your fist
Here comes a party that we don't want to miss

Hey hey hey, a new morning, the weather's changing
Hey hey hey, a new morning, the weather's changing
Cha' hey hey, a new morning, the weather's changing
Cha' hey hey, a new morning

Hey hey hey, independence
We are playing a little game, I said
Hey hey hey, independence
We got it on the way

Hey hey hey, independence
We are playing a little game, I said
Hey hey hey, independence
We got it on the way

Hey hey hey, independence
We are playing a little game, I said

Hey hey hey, independence
We got it on the way

Hey hey hey, independence
We are playing a little game, I said
Hey hey, hey hey, hey hey
