When passion's up for sale
We're gonna find a way
A broken heart, a broken bone
A broken thought what's going on

Oh, if you are down with me
We'll meet out in the street

We got guns for everyone
We got love for everyone
Hey, pick it up, baby

When living is a crime
Tired of just getting by
A broken heart, a broken bone
A broken thought what's going on

Oh, if you are down with me
We'll meet out in the street

We got guns for everyone
We got love for everyone
Hey, pick it up, baby

Let's turn the light off
Wanna turn you on

Yeah baby, step outside with me
Hey darling, get up off your knees
Sweet sugar we're gonna make them scream

Let's turn the light off
Wanna turn you on
