"Star?lfur"

Visit "[Star?lfur](#)" on MotoLyrics.com

Bl? n?tt yfir himininn
Bl? n?tt yfir m?r
Horf-inn ?t um gluggann
Minn me? hendur
Faldar undir kinn
Hugsum daginn minn
? dag og ? g?r

Bl? n?ttf?tin kl?a mig ?
Beint upp ? r?m
Brei?i mj?ku s?ngina
Loka augunum
?g fel hausinn undir s?ng

Starir ? mig l?till ?lfur
Hleypur a? m?r en hreyfist ekki
Ur sta? - sjalfur
Star?lfur

Opna augun
Stirurnar ?r
Teygi mig og tel
Kominn aftur og alltalltil?
Samt vantar eitthva?
(Eins og alla veggina)

Blue Night Over The Sky
Blue Night Over Me
Disappeared Out Of The Window
Me With Hands
Hidden Under My Cheek
I Think About My Day
Today And Yesterday

I Put On My Blue Nighties
Go Straight To Bed
I Pull The Soft Covers Over
Close My Eyes
I Hide My Head Under The Covers

A Little Elf Stares At Me
Runs Towards Me But Doesn't Move
From Place - Himself
A Staring Elf

I Open My Eyes
Take The Crusts Out
Stretch Myself And Check (If I Haven't)
Returned Again And Everything Is Okay
Still There Is Something Missing
Like All The Walls
