Well it's good morning captain  
Good morning shine  
Do you need another muleskinner  
Out on your new mud line

I like to work  
I'm rolling all the time  
I can pop my initials  
On a mule's behind

Hey little water boy  
Bring that water round  
If you don't like your job  
Set that water bucket down

Workin' on the good road  
Dollar and a half a day  
My good girl's waiting on a Saturday night  
Just to draw my pay

I'm going to town, honey  
What you want me to bring you back?  
Bring a pint of booze  
And a John B Stetson hat

I smell your bread a-burning  
Turn your damper down  
If you ain't got a damper, good gal  
Turn your bread around
