"Mambo Rock"

There's an island in the Caribbean Sea
Where the natives dance and rock with glee.
Where they mambo dance in a diff'rent way.
They do the crazy Mambo Rock all day.

Where the wild waves roll upon the golden sand

You can grab your chick-right by the hand

Then you clap your hands and stomp your feet

and do the crazy rockin' mambo beat.

Through the red hot day and the cool
cool night

When the mambo moon is shining bright.
How they madly dance all around the clock
doin' the crazy rockin' Mambo Rock!

Refrain :

Hey mambo! Mambo Rock!
Hey mambo! Mambo Rock!
Hey mambo! Mambo Rock!
Ev'ry-body's doin' it! Mambo Rock!
