LET'S PARTY - 16/12/1989

1 week at #1 - 6 weeks on chart

IT'S CHRISTMAS

C'mon everybody, it's christmas time

Whoo, Jive Bunny

Come on

C'mon everybody let's party

Jive Bunny come on

Jive Bunny come on

Here we go

Are you hanging up your stocking on your wall

It's the time when every Santa has a ball

Does he ride a red nosed reindeer

Does a ton upon his sleigh

Do the fairies keep him sober for a day

So here it is, Merry Xmas

Everybody's having fun

Look to the future now

It's only just begun

Let's party

Oh when the snowman brings the snow

Oh well he just might like to know

He's put a great big smile on somebody's face

If you jump into your bed

And you cover up your head

Don't you lock the doors

You know that sweet Santa Claus is on the way

Well I wish it could be Christmas everyday

When the kids start singing and the band begins to
play

Oh I wish it could be Christmas everyday

Let the bells ring out for Christmas

OK you lot, take it

It's christmas time again
Come on
Wind it up, wind it up
OK Gazza, take it away
Another Rock 'N' Roll Christmas
Another Christmas Rock N Roll
Presents hanging from the trees
You'll never guess what you've got from me
Another Rock 'N' Roll Christmas
Another Christmas Rock 'N' Roll
We better hold each other tight
You never know it might snow tonight
Another Rock 'N' Roll Christmas
Another Christmas Rock 'N' Roll
All dressed up, so here we go
Do I hear sleigh bells, in the snow
Another Rock 'N' Roll Christmas
Everybody get up off your seat
Clap your hands and stamp your feet
Come clap your hands and stamp your feet
Let's party

What in the hell was goin' on
Jive Bunny come on

What in the hell was goin' on
What in the hell was goin' on
Jive Bunny come on J Jive Bunny come on
Hot damn ha-ha-ha, yeah
