Love is just like a baseball game

Three strikes you're out

Up to bat

I thought I hit a love run

But to my surprise

I found I didn't hit none

Threw her love so fast

She put me in a daze

Never knew that love

Could come so many ways

Strike one - She took me by surprise

Strike two - Right in front of my eyes

Strike three - Oh, I was out without a doubt

Oh, I was out

Love is just like a baseball game

Three strikes you're out

Whether you win or lose

Love is just like a baseball game

Three strikes you're out

Everybody's got to pay some due

Oh, I'm up to bat

I'm gonna try love one more time

I really love this girl

And I'm gonna make her mine

I ain't never won

When I played a baseball game

Now it seems that love

And baseball are just the same

Strike one - Oh, she did it again

Strike two - Looks like I'm never gonna win

Strike three - Oh, I was out without a doubt

I was out

Love is just like a baseball game

Three strikes you're out

Whether you win or lose

Love is just like a baseball game

Three strikes you're out

Everybody's got to pay some due

You got to pay some due

Love is just like a baseball game

Three strikes you're out

Three strikes you're out whether you win or lose

Love is just like a baseball game

Three strikes you're out

Everybody's got to pay some due

Got to say it again

Love is just like a baseball game

Three strikes you're out

Three strikes you're out whether you win or lose
