Say man
you heard
about this boxer style?
Well
listen up
I think
it's worth your while.
Just shake your knees
and plant your feet
and you'll be doing
the boxerbeat.

Just keep the devil
in hell
just keep the
trains on the rail.
Just keep the stars in the sky
and keep the money for fale.
Just let the croppled ones wal:
and let the silent ones talk

Just make the blind so they see
and the sad ones happy.
And you'll be doing the boxerbeat.
And you'll be doing the boxerbeat
boxerbeat.
And you'll be doing the boxerbeat
boxerbeat
boxerbeat.
Just let the critic's critique and let the top secrets leak

Just make the lazy ones work and let the power
unleash.
Just keep your feet on the loose and keep your neck
from the noose

Just keep your eye on the ball and keep your feet in
your boots.
And you'll be doing the boxerbeat. . . .
Just keep the devil in hell
just keep the trains on the rail

. . .

And you'll be doing the boxerbeat.
And you'll be doing the boxerbeat.
And you'll be doing the boxerbeat.
Do the boxerbeat.
