Come fly with me, let's fly let's fly away  
If you can use, some exotic booze  
There's a bar in far Bombay  
Come fly with me, we'll fly we'll fly away

Come fly with me, let's float down to Peru  
In lama land, there's a one man band  
And he'll toot his flute for you  
Come fly with me, we'll float down in the blue

Once I get you up there, where the air is rarefied  
We'll just glide, starry eyed  
Once I get you up there, I'll be holding you so near  
You may here, angels cheer - because were together

Weather wise it's such a lovely day  
You just say the words, and we'll beat the birds  
Down to Acapulco Bay  
It's perfect, for a flying honeymoon - they say  
Come fly with me, we'll fly we'll fly away
