Lost in day to day  
Turn another way  
With a laugh  
A kind hello  
Some small talk  
With those I know  
I forget  
That I'm not over you  
For a while  
A wave an easy grin  
A smile to put them in  
With other lives  
To listen to  
And some work  
I've got to do  
I forget  
That I'm not over you  
For a while  
Days go by  
With no empty feeling  
Until I  
Remember you're gone  
People say to me  
You need company  
When you have  
Some time to spend  
Drop around  
And meet a friend  
They forget  
That I'm not over you  
For a while  
They forget  
That I'm not over you  
For a while...
