If you turn me down once more, I'll join the French  
Foreign Legion  
Bet you, they would welcome me, with open arms

First you love me, yes; then you love me, no  
I don't know where I stand  
Do we march together down the isle  
Or do I march that desert sand

If you think I won't find romance, in the French Foreign  
Legion  
Think about that uniform with all its charm  
Just one more time are you gonna be mine, or au revoir  
cheri  
It's the French Foreign Legion for me
